### A MEMO TO OUR CUSTOMERS

Again we are pleased to issue our spring price list. You will find listed a fine assortment of quality grown evergreens from which to choose.

During the coming planting season we trust you may refer to this list often and give us an opportunity to furnish your evergreen needs.

This spring will again find many varieties in short supply. To avoid possible disappointment, we urge you to place orders early to insure delivery.

We extend to all our customers the opportunity to personally select and tag evergreens - AT NO EXTRA CHARGE.

PLEASE NOTE - All orders are carefully dug and kept inside our storage buildings. Inasmuch as our storage space is at a premium in the spring, we urge that orders be picked up on the date scheduled.

You are welcome, at all times, to visit our nursery.
